Subject: NSPS OOOOa reconsideration - Analytic Blueprint Waiver

As part of the reconsideration process, the NSPS OOOOa Reconsideration workgroup chair is asking workgroup members (I am the R5 member) to sign off on waiving the analytic blueprint (ABP) step. The rationale provided by the workgroup chair is attached. Because the rulemaking background record for this reconsideration is essentially identical to the original rulemaking, I concur that it makes sense to waive the ABP step.

During the original rulemaking, I was the one who signed off on the waiver concurrence, but this time around, other members are having their DDs be the signatory.

The concurrence form with Ed's name is attached. With his approval, I will submit this to the workgroup chair (no actual signature is required). Due date is COB Dec 4th.

Let me know if there are any questions.

Thanks,

Natalie
